Subject: FW: Dr. Susan Rabinowe opposing HB 6687

Dear Representatives on the Judiciary Committee,

My name is Dr. Susan Rabinowe and I am asking you to oppose HB 6687 and keep the rational and important thresholds needed before a plaintiff can move forward with a medical liability complaint. There will be a huge financial burden to *physicians' overhead if this bill is passed, increased malpractice insurance premiums and a negative effect on our ability to see new patients resulting in even more physicians leaving the state* and we already have a shortage.

Thank you for your attention,
Susan (Dr. Susan Rabinowe)
